

I have received a letter from my favorite radio station, K-LOVE. After listening to many of the local station talk trash, talk sex, continuously prank people, I found K-LOVE and have listened to their radio program every day for more than a year. The programming that plays on K-LOVE is the only appropriate station for young and old to listen to. I have seen many K-LOVE stickers on vehicles around the community and throughout central Indiana. K-LOVE is a voice in the community I live. To lose this station to a LPFM station would be a great loss to myself as well as many others that listen to K-LOVE to brighten their day. It is in the interest of the public to keep K-LOVE on the airways. It is detrimental for community morale. Thank you for taking the time to read this and for keeping K-LOVE on my radio.
